

Represent Stonham's clients...

NATIONAL CLIENT PANEL

We are changing the way we work and are committed to placing our clients at the heart of everything that we do. To support us in our journey, we have set up our new National Client Panel.

By becoming part of the National Client Panel, you will:

- have the opportunity to help shape the way that we provide services to our clients;
- provide a focus for consultations, challenging policies, process and communications;
- meet new people, have the chance to learn new skills and be able to influence the way that we work in the future.

You should be:

- a current client of Stonham (when you apply);
- passionate about improving the services that we provide;
- able to see the "big picture";
- want to influence Stonham's service delivery at a national level;
- up for learning new skills.

The panel will have 20 members and will meet on a regular basis. No previous experience is required and full training and support will be given to all members of the panel. We want the National Client Panel to be representative of all our clients and welcome applications from all of our different services. Although the posts are voluntary all reasonable expenses will be paid.

If you are interested?

Please visit www.homegroup.org.uk to download an application pack or telephone **0845 155 0397** (answering machine) to request one to be posted to you. **Closing date: 1 March 2010.**

Please note that clients will only be permitted to represent one group and will not be allowed to become members of multiple groups, for example a Client Board member will not be able to sit on the National Client Panel.
