

Menu of involvement

How you can get involved at Home Group.
Speak to your support worker for more details.

You can visit Home Group services and find out what people think

We are all people from different backgrounds. You can talk to people about your life to help them learn. Things like

- What it is like to have a learning disability
- Religion

You can tell people about Home Group at events

You can help us learn from accidents to keep people safe

You can join our easy read group and help us to get our information and documents right

You can help us find the right staff

You can help train staff and other customers

You can help us plan new services and communities
